Regarding Information Technology Services (ITS) LOC Number 42119 issued November 20, 2015, based on General RFP Number 3775, for the procurement of Consulting Services for the Mississippi Department of Mental Health (MDMH), please be advised that pending successful contract negotiations, the award for the Java Developer will be made to Global Information Services, Inc. at a total not-to-exceed 1-year lifecycle cost of \$156,000.00.

An award will not be made for the SQL Database Administrator position. MDMH has made a business decision to absorb these functions internally. Evaluations are still in progress for the CRM Developer position and an additional Notification of Award will be posted after the evaluation is complete.

ITS and MDMH thank you for your participation in the LOC process.
