The following question was submitted to ITS and is being presented as it was submitted, except to remove any reference to a specific vendor. This information should assist you in formulating your response.

Question 1: The State of Mississippi was recently awarded a State and Local Implementation Planning Grant (SLIGP) totalling \$1.5M. This comes with a very specific set of deliverables from NTIA. This solicitation does not mention these grant requirements as specific work items. Does the state anticipate that the scope noted in this solicitation will be modified such that it includes efforts related to the SLIGP grant or does the state expect to issue a separate RFP and contract specifically for SLIGP related deliverables?

Response: **This LOC was not issued as a direct response to the SLIGP grant. The WCC will make a determination on how the SLIGP grant will be implemented at a later date.**

LOC responses are due Friday, October 4, 2013, at 3:00 p.m. (Central Time).
