Our preliminary review of this proposal indicates that your company offers products, software, and/or services that may meet the requirements of this project; therefore, we are requesting your configuration assistance for the components described below.

1. GENERAL LOC INSTRUCTIONS

- 1.1. Beginning with Item 3, label and respond to each outline point as it is labeled in the LOC.
- 1.2. The Vendor must respond with "ACKNOWLEDGED," "WILL COMPLY," or "AGREED" to each point in the LOC, as follows:
 - 1.2.1. "ACKNOWLEDGED" should be used when a Vendor response or Vendor compliance is not required. "ACKNOWLEDGED" simply means the Vendor is confirming to the State that he read the statement. This is commonly used in sections where the agency's current operating environment is described or where general information is being given about the project.

- 1.2.2. “WILL COMPLY” or “AGREED” are used interchangeably to indicate that the Vendor will adhere to the requirement. These terms are used to respond to statements that specify that a Vendor or Vendor’s proposed solution must comply with a specific item or must perform a certain task.
- 1.3. If the Vendor cannot respond with “ACKNOWLEDGED,” “WILL COMPLY,” or “AGREED,” then the Vendor must respond with “EXCEPTION.” (See instructions in Item 8 regarding Vendor exceptions.)
- 1.4. Where an outline point asks a question or requests information, the Vendor must respond with the specific answer or information requested in addition to “WILL COMPLY” or “AGREED”.
- 1.5. In addition to the above, Vendor must provide explicit details as to the manner and degree to which the proposal meets or exceeds each specification.
