18	South Panola	Venture Technologies, GovConnection, Synergetics, CDW-G
19	Tunica County	Synergetics

Note that the vendors above are the vendors chosen by the schools to provide the primary IT components (e.g. desktops, notebooks, printers, servers, whiteboards, projectors, etc.) for the ICT and STEM labs. Smaller peripheral items (digital cameras, digital video cameras, headphones, etc.) handled by non-EPL vendors are not shown in the table. Also not included in the above table are software, furniture, cabling, or textbook vendors.

In some instances, hardware vendors are shown in the award table that were not included in the “ICT/STEM EPL” but were on the underlying Micro or LAN EPL, and these purchases were within the regular EPL purchasing limits.

ITS and MDE thank you for your participation in this LOC process.
